## INFORMALITY MARKS CHAMBER MEETING

AMERICAN DOLLAR RESERVES and problems of exchange formed basis of a speech by Hon. Douglas Abbott (right), Canadian minister of finance, at annual meeting of the Edmonton Chamber of Commerce Wednesday. But he and F. G. Wimper, immediate past president of the Chamber, found lighter subjects to discuss before the dinner started.

FRIENDLIER MOOD than generally prevails at Dominion-provincial conferences was noticeable when Hon. James A. Macdonald, minister of mines and resources, and Hon. Ernest Manning, Alberta's premier, had sociable chat before annual dinner meeting of the Edmonton Chamber of Commerce on Wednesday. Informality marked the occasion as head-table guests assembled.

## Edmonton's Employment Situation Remains Good

### QUICK DEAL IS SATISFYING

Have you ever been in the position where you wished to make a fast turnover on your possessions? One Ed-Edmonton did, and discovered the fastest way to sell a house.

He put an add in the classified pages of the Bulletin and the Bulletin has not just one, but two satisfied customers on the deal.

There are profits to be found in Bulletin when ads so watch them, use them. They get results.

### Businessman Dies

REGINA, Jan. 6.—(CP)—A. E. Wimmer, 72, long prominent here as a businessman and community worker, died early today following a stroke Sunday.

## HOW TO FEED FOUR ON \$20 PER WEEK

Would you like to know how to stretch your budget to feed a family of four on \$20 a week? In keeping with its policy of leadership in women's services, The Bulletin now brings you a new and timely feature.

And not only does this unique feature tell you how to plan your daily menus for 2 weeks, but also supplies the recipes and the daily shopping list.

This excellent feature, prepared especially by head Bulletin dietitian Jane Scott, will appear in The Bulletin Friday.

## China Reds Are Shelling Tientsin

### Peiping Council Seeking Separate Peace With Reds

NANKING, Jan. 6.—(AP)—Communist troops, turning a deaf ear to Nationalist peace pleas, tonight were reported to have poured shot and shell into besieged Tientsin in the north and into encircled government armies southwest of Suchow.

The firing broke a two-week lull. Peace overtures, including a message from President Chiang Kai-Shek at year's end offering to negotiate "if the Communists really are sincere" had flooded the country.

**ASK PEACE TERMS**

The latest was made by the Peiping city council which voted to ask Communists surrounding that city for terms. The North China commander, Gen. Fu Tsi-yi, gave permission for air drop of the Peiping peace plea. He has been rumored seeking a separate settlement of the north China war.

Nanking sources heard that Red troops commenced shelling Gen. Tu Li-Ming's surrounded armies southwest of Suchow from two sides after local broadcast from loudspeakers failed to persuade the Nationalists to surrender.

**INDEPENDENT DESTINY**

The Independent Nanking People's Daily said that Gen. Sun Yuan-lung, commander of the 10th army group under General Tu, had reached the Honan province temporary capital of Huoyang on Jan. 4 after passing through the Communists line in dispute. The newspaper said general Sun reported the encircled troops, numbering between 150,000 and 250,000, had eaten all of their horses and other animals and that hundreds of men were deserting general Tu.

This account was in contrast with the statement of general military spokesman Feng Wen-ti who said general Sun and "some of his men" broke the encirclement and reached Huoyang.

## Alta Oil Aids Dollar-Saving

Oil discoveries in Alberta and development of fields now producing "has already been of appreciable assistance in saving United States dollars."

This was the statement of Finance Minister Douglas Abbott as he addressed the annual meeting of the Edmonton Chamber of Commerce in the Macdonald Hotel last night.

He pointed out the petroleum imports from south of the border would likely total more than \$100,000,000 during 1948.

"At the same time," he said, "Alberta oil will supply all the needs of the Canadian provinces by 1950," Mr. Abbott said. "Some hold out hope that when Alberta and Northwest oil resources are fully known and developed, Canada may become an oil-exporting country."

While he warned against undue optimism due to the uncertainties of production of oil, he assured you that we already know enough to gladden the heart of the minister of finance concerned with the country's exchange problems," he quipped.

He promised the government would continue its "generous allowances for exploration and research" under federal taxation measures.

He said the federal government, by making studies of oil, for the purpose had made a definite contribution to Alberta oil development.

## DEATHS RECORDED TODAY

Armstrong, Mrs. Ada Virginia. Eckert, Mr. Gustave. Quinn, Mr. Joseph. Thomson, Mrs. Edna Grace.

## RITA AND ALY REACH SWISS SKI RESORT

GSTADT, Switzerland, Jan. 6.—(AP)—Mrs. Aly Khan and Prince Aly Khan came to this Swiss mountain ski resort today to enjoy the winter with their children today, were reunited in the Hotel Palace.

When Aly Khan left Moscow two hours ahead of his wife today, rumors spread that they might have a rift. Their reunion today proved it just another ruse in an attempt to evade the press.

Aly Khan was accompanied by two children, his father-in-law, and his mother-in-law. He brought his daughter, Rebecca, who was reunited immediately at the railway station, but Aly Khan passed her by.

Close to the railway station, Monks and Bern.

# Trans-Jordan Reported To Move To Egypt

## CITY POSTMAN HIT BY 500-LBS OF SNOW

An Edmonton postman was rushed to hospital today after being struck on the head by an estimated 500 pounds of falling snow.

Walking along Jasper avenue, near the Bank of Nova Scotia at 10th street, David Collier, 58, of 11725 87 street, was knocked unconscious when the pile of snow fell from the roof of the bank.

Taken to Royal Alexandra hospital, he was found to have no injuries other than a severe headache.

Mr. Collier, a postman for 36 years, is due to retire at the end of the year.

## More Import Bans Likely To Be Eased

(See Other Stories on Page 9)

Canadians can look forward in 1949 to further relaxation of restrictions on United States imports if the Dominion's reserves of U.S. dollars continue to improve, Finance Minister Abbott promised last night.

Canada's reserves of gold and United States dollars had increased by December 31, 1948 to \$996,000,000 or about double a year ago, the federal minister told the annual meeting of the Edmonton Chamber of Commerce in the Macdonald hotel last night.

This was an increase of \$537,000,000 over the low point in the reserves totals of \$459,000,000 in December, 1947, and indicated the value in the Canadian economy of the import restrictions on United States goods and on tourist travel in the United States.

**PARTLY FROM LOAN**

The finance minister pointed out part of the increase came from \$150,000,000 borrowed by the Canadian government from three American insurance companies last August.

Conceding the so-called "stoppage" program, Mr. Abbott said that exports to the United States had jumped by nearly 42 per cent from \$550,000,000 to \$1,200,000,000 during the same time last year.

Exports to all other countries had increased by 18 per cent.

At the same time imports from the United Kingdom, the Commonwealth and Europe had increased by 41 per cent, while the restrictions on American imports had reduced value of shipments from the U.S. by 10 per cent.

An important contributing factor to the improvement of the American dollar situation had been the flow of \$87,000,000 from the U.S. into Canada for cattle and beef in the first ten months of the year.

The weatherman says a storm of heavy snow would touch \$100,000,000 during the total business of the year had been computed.

Expansion of exports and commerce.

## Chinook Weather To Do Fade-Out Friday

(See Other Weather Story Page 3)

Edmonton's mild winter chinook, that shot the mercury up to 46 above today is due for a fade-out Friday afternoon.

The weatherman says a storm has been sweeping across the North West Territories and the cold trail left behind it is heading southward towards Edmonton.

## First Stage Of Bridge Addition Nears Completion

Dominion Bridge Company workers started Wednesday afternoon on the erection of steel girders for the first stage of the new bridge over the west end of the present Low level bridge.

They completed erection of the "traveller" steel at the north end of the bridge this morning, and are now erecting the "raise work" supports preparatory to stringing steel and laying the bridge floor on the north half of the bridge.

The construction of the south end and pier will be completed this week, according to A. W. Haddow, city engineer.

## S.C. Candidate

TRILACIA, Alta. Jan. 6.—(CP)—Johnston, M.P., was chosen Social Credit candidate for the federal riding of Bow River at a party constituency meeting in Trilacra yesterday.

## London Worried As Crisis Looms

By Pamela Matthews

LONDON, Jan. 6.—(Reuters)—It is widely believed here that British troops are on their way to the Trans-Jordan port or Aqaba, at the head of the Gulf of Aqaba and that RAF units in Trans-Jordan have been reinforced.

There has been no official confirmation of this.

It also is generally believed that British troops in the Canal Zone of Egypt have been put on the alert following the penetration of Israeli forces into Egypt last week.

Political quarters here expect that British policy in this latest Palestine crisis will be the subject of an unusually large number of questions when parliament re-assembles in 10 days.

Lack of public knowledge on British Middle East policy, debated this week by the defense committee of the cabinet, can scarcely continue, it is felt, after the house meets.

## Atlantic Pact To Be Signed By Month-End

(See Other Stories on Page 9)

PARIS, Jan. 6.—(Reuters)—The Atlantic Pact, linking Canada and the United States in a military defense alliance with the five Western European powers, will be signed by the end of January, it was learned tonight from mutually reliable diplomatic sources here.

**DEFINES ZONE**

The draft pact defines the "Atlantic security zone" as including Iceland, Norway and Denmark, sources said, but it will remain for these countries to accept or reject the obligations proposed in the pact.

The Atlantic Defence Pact, which has been the subject of protracted negotiations in Washington, will need ratification by the parliaments of the states concerned.

These comprise, Britain, France and the Benelux group—Belgium, the Netherlands and Luxembourg—in addition to Canada and the United States.

## CP Main Line Train Derailed

CALGARY, Jan. 6.—(CP)—The Canadian Pacific Railway transcontinental passenger train No. 3 was derailed early this morning at Towers, 60 miles east of Calgary. No one was injured.

The passenger and express coaches, a caboose and the tender left the rails and tumbled about 200 feet. The engine remained on the tracks. All the cars reversed.

It was believed the rear wheel of the tender jammed off the track and after derailed about a mile caused the derailment.

## Chinook Weather To Do Fade-Out Friday

Edmonton's mild winter chinook, that shot the mercury up to 46 above today is due for a fade-out Friday afternoon.

The weatherman says a storm has been sweeping across the North West Territories and the cold trail left behind it is heading southward towards Edmonton.

Forecast valid until midnight.

Cloudy today and Friday; light wind becoming northwest 13 this evening and north 10 tomorrow afternoon; intermittent rain or snow this afternoon; not quite so mild Friday, turning colder tomorrow afternoon; low tonight and high tomorrow 16 to 20.

Meanwhile in Winnipeg, snow removal units were waging a losing battle as the blizzard from the U.S. Midwestern States continued to hold Southern Manitoba in its icy grip.

Washing streets and Manitoba highways were choked by almost 24 hours of continuous snowfall, with winds up to 25 mph whipping up huge drifts.

The storm tied up eastbound air traffic out of Winnipeg and also delayed rail and highway transportation.

While Edmonton had warm weather with little wind last night, the southern part of the province experienced the same kind of almost gale proportions. Winds through the area averaged from 40 to 60 mph at Lethbridge the peak gust was 68 mph.

## YOUNGEST MINISTER on record is Marjorie Gortner, five, of Long Beach, shown above signing register Monday after performing marriage ceremony with young man.

Ray Miller, 23, and Alma Brown, 21, Marjorie, says boy's father, has been preaching since he was three and was ordained last October by Old Time Faith Church.

# City Refuses Land For Kingsway Area

## Hint Civic Structure For Requested Site

Finance committee of Edmonton city council Wednesday turned "thumbs down" on the application of the Edmonton Sports Arena organization for grant of a site at Kingsway and 111 avenue.

Committee members endorsed the recommendation of the Town Planning Commission that the proposed site be used for a proposed structure.

Edmonton Sports Arena Ltd., sought the Kingsway property as the site for a sports centre.

FOR AUTORIUM City Commissioner John Hodgson indicated that the Kingsway site was reserved for an auditorium or other civic structure.

He added that promoters of the sports centre also must have permission of the Board of Public Utilities, commission which has stock in the proportion prior to making application for an alternative site.

Ald. Sidney Bowser suggested that interest in the sports centre proposal had declined.

Committee members recommended to city council a grant of \$125 be paid to the Canadian Welfare Council for services made available to the city welfare department.

United Emergency Fund For Britain's request for a grant was refused as council has not charter to make grants of this nature.

Aldermen were of the opinion that subscriptions to this fund should come from individuals.

**Ontario Community Threatened By Fire** SUNDERS, Ont., Jan. 6. — (CP) — Firemen from three municipalities today were battling a blaze which threatened the whole business section of this Ontario county community, 20 miles west of London.

By mid-morning five stores, several apartments, a warehouse and a garage were gutted with loss estimated at \$180,000. The fire started in a hardware store and spread to an egg-grading station.

The delegation also met Hon. David Urquhart, minister of agriculture, who assured them of the federal government's interest in the project.

Under the highway plan, 73 miles between Medicine Hat and Taber will be put in first class condition. Grading of the distance was completed last year.

Portion of the No. 1 highway is not suitable for hard-surfacing this year, as the grade has not settled sufficiently, the delegation was told, when it requested hard surfacing of the 20-mile stretch between Redcliffe and Suffield.

**Big Increase Forecast In Grasshopper Invasion** Alberta's annual grasshopper invasion which may be more serious in 1949 than any time since 1940, will be combated by new chemical methods.

Alberta's annual grasshopper invasion which may be more serious in 1949 than any time since 1940, will be combated by new chemical methods.

Representatives of an American company which manufactures the chemical have the advantage of being non-poisonous and may be applied with the same type of sprayer as is used for the control of 2-4-D chemical weed killer.

It is expected to have widespread use in Southern Alberta in 1949 if a grasshopper plague reaches major proportions.

Open 1948 fall indicates that the grasshopper problem may be the most serious of any of the past nine years unless most areas have a very satisfactory," Mr. Wilson said.

## FAMOUS TUBS ARE JUNKED

VANCOUVER, Jan. 6. — (CP) — George Washington didn't sleep in them, but Winston Churchill and other world figures bathed in the "tubs."

Famous bathtubs, which once cradled the "divine" Sarah Bernhardt and the "immortal" Shakespeare, were ripped out yesterday by workmen demolishing the old Hotel Vancouver. The tubs will be displayed and sold in the main lobby later this week.

## Swift Canadian Worker Retires

Retiring after 36 years service as chief engineer and master mechanic of Swift Canadian Company in Edmonton, H. Benson, 11040 81 Ave., was the recipient of a wrist watch presented to him by the management in recognition of his long service.

Born in Lancashire, England, 1886, Mr. Benson started his career as a marine engineer, but gave up sea work for a time in 1911.

He was first employed by the Dominion River, in 1912, and in 1912 joined Swift Canadian, a company which he has since taken over.

He has survived a son, David, a daughter, Ruth, both of this city and a nephew, John Benson of Lethbridge.

Funeral arrangements are being handled by Howard and McBride Services will be held Saturday afternoon at 2:30, Rev. A. J. MacQueen officiating.

## Cabbie Acts As Midwife

NEW WESTMINSTER, B.C. Jan. 6. — (CP) — A hectic journey over lonely ice-covered roads in nearby Surrey municipality was climaxed early today when stocky Leo Darrah, 40, turned midwife in his last job.

After receiving an emergency call from Barton Island in the Fraser River last night, he was unable to find the place for several hours because of misdirection.

He picked up the expectant mother after a flurry of telephone calls but had to stop when the load slipped sideways on a icy road. He aided the woman in the birth of a seven-pound, 11-ounce daughter and took mother and child to a nearby farmhouse where they waited for an ambulance.

Both were "doing well" in hospital, and Darrah said he was "OK," he added.

# Atta. Goldeye Fishing Is Promising Industry

Another new industry is growing rapidly in Alberta's northeast territory.

According to reports presented at the annual meeting of the Fisheries Research Board of Canada in Ottawa today, Alberta's Lake Clair, 450 miles northeast of here, in Wood Buffalo National Park, gold-eye fishing holds considerable promise for the future.

**CUTTING THE RIBBON** which opened the new Bonnie Doon Community skating rink is Federation of Community Leagues President Charles Simmonds. New rink is largest of city's 28 centres, measuring 210 by 95 yards and will be available for community's pleasure, figure and speed skaters and two hockey teams.

Committee members recommended to city council a grant of \$125 be paid to the Canadian Welfare Council for services made available to the city welfare department.

United Emergency Fund For Britain's request for a grant was refused as council has not charter to make grants of this nature.

Aldermen were of the opinion that subscriptions to this fund should come from individuals.

**Good Samaritan Not So Good** Soliciting funds for a local charitable organization without authorization will cost George Latouche a fine, his freedom for the next three months.

With a number of church collection envelopes in his possession, Latouche, Tuesday afternoon received donations of 25 and 30 cents from waitresses in a local eating place.

The girls later became suspicious of the solicitor and notified police who arrested him in a nearby cafe. Magistrate Miller sentenced him to serve three months in Fort Saskatchewan jail when he pleaded guilty to each of the two charges of false pretences. Sentences are concurrent.

**Bonnie Doon Rink Opens** Bonnie Doon Community rink was opened by Charles Simmonds, president of the Federation of Community Leagues last evening as crowds of enthusiastic children thronged the ice.

A number of representatives of Bonnie Doon Community league helped at the opening, including George Sinclair, president and Mrs. M. Collins, secretary. Also present were Jack Haddad and Stuart Graham of the City Recreation Commission.

Mr. Simmonds spoke of the need for a spirit of co-operation in the community league and hoped that the people of Bonnie Doon would help their committee to greater activities.

With 28 community centres now in the city and the same number rink, the risk at Bonnie Doon is the largest 210 by 95 yards. Bonnie Doon has besides a number of keen skaters and two hockey teams, a number of willing helpers in the building of the rink. In particular, John Bradovsky, said league officers.

**Flower Plane Crashes, Kills 2** BRANDYWINNE, Minn., Jan. 6. — (AP) — A cargo plane carrying flowers from the south to northern states crashed and burned near here today, killing two crew members.

The plane fell in a wooded area after hitting a tree and snapping off two other trees.

The bodies of the pilot and co-pilot, who were not identified immediately, were removed from the wreckage by a fire engine company from a nearby Andrews Air Force base.

The plane—a two-engine De-3—was owned by Coastal Cargo. A shipment of gladioli was destroyed in the crash and fire.

The scene of the crash is about 27 miles southwest of Washington.

**Plague Kills 18** CALCUTTA, Jan. 6. — (AP) — Bubonic plague was reported yesterday to have broken out in Gaya in Bihar Province, killing 18 persons. Several were under treatment. The area was cordoned off. Schools and theatres were closed for three days.

**WEATHERMAN IS UNIMPRESSED** Three Further Chinooks Forecast Before Spring

According to the law of averages Edmonton is due for about three more good chinooks before spring sets in.

Present chinook has brought temperatures to higher than 40 degrees above zero in last 24 hours, according to meteorologist C. Thompson at the city airport.

"We can usually count on two chinooks during January, at least one in February and another in March," the weather expert said today.

"Chinook weather is very irregular, though," he said. "We usually have one warm spell in December, another one between the 15 to 20; another during the period between Jan. 4 and 15, and there is a tendency for a second chinook towards the end of January, but it is not usually so warm."

Five commercial blizzards, but it is not usually so warm," Mr. Thompson said. "But we usually have a chinook for about one week."

Another chinook is also due about the third week in March, according to averages.

Show this year is about half the usual time average up to date. So far Edmonton has only had about one third of what is still on the ground. Average snowfall for the winter is 50 inches.

And while most Edmontonians are "tired" this weather, the weatherman says that in 1943 there was one day during January when the mercury reached 30.5 degrees, and in 1948, it climbed to 32.

## Legion Heads Installed

Stating "I am sure you will carry on Legion traditions to the utmost of your ability," S. C. Heckbert, president Canadian Legion provincial command, welcomed 150 officers of the Kingsway branch Wednesday night.

Welcome was delivered at an impressive installation ceremony at the Kingsway club rooms. A. J. Hoopes, 29th district commander, presided.

Elected to office were: President, D. H. Wright; first vice-president, C. H. Faulkner; second vice-president, H. Williams; executive, W. G. Dunaway; J. Gagnon; A. Baple; R. Harvey; W. Lippert; M. Mac; Dr. H. McCafferty; E. Saunders and C. Williams.

Special guests included: P. Finelli, DVA assistant district administrator; Dr. P. G. Ram; Dr. J. M. Mac; Dr. H. McCafferty; E. Saunders and C. Williams.

New officers were piped to the rostrum by Pipe Major R. Stokes. Smoker entertainment was presented by J. Jones, W. Noun, J. Dent, Pat James and Sam Hobson.

**Guest Speaker** Mrs. Mary Butcher will be guest speaker at the next meeting of the Glenora Home and School Association, Glenora School, Monday at 8 p.m. Her subject will be "The School Board—What it is, and What it does."

**HIGHWAY SURFACING ASSURANCE IS GIVEN** Assurance of government intention to hard-surface the No. 3 highway between Medicine Hat and Taber during 1949 was given a delegation of Medicine Hat business men and civic authorities meeting Hon. D. B. MacMillan, minister of public works, in Edmonton Wednesday.

The delegation also met Hon. David Urquhart, minister of agriculture, who assured them of the federal government's interest in the project.

Under the highway plan, 73 miles between Medicine Hat and Taber will be put in first class condition. Grading of the distance was completed last year.

Portion of the No. 1 highway is not suitable for hard-surfacing this year, as the grade has not settled sufficiently, the delegation was told, when it requested hard surfacing of the 20-mile stretch between Redcliffe and Suffield.

**Smoker Arranged** The 36th Casualty Clearing Station, RCMC (RIF), will commence their new year parties with a smoker Friday at 8 p.m. in the Price of Water Armouries.

Unit members are requested to bring along as a guest a prospective recruit if possible but to turn out in full force in any event.

**Big Increase Forecast In Grasshopper Invasion** Alberta's annual grasshopper invasion which may be more serious in 1949 than any time since 1940, will be combated by new chemical methods.

Alberta's annual grasshopper invasion which may be more serious in 1949 than any time since 1940, will be combated by new chemical methods.

Representatives of an American company which manufactures the chemical have the advantage of being non-poisonous and may be applied with the same type of sprayer as is used for the control of 2-4-D chemical weed killer.

It is expected to have widespread use in Southern Alberta in 1949 if a grasshopper plague reaches major proportions.

Open 1948 fall indicates that the grasshopper problem may be the most serious of any of the past nine years unless most areas have a very satisfactory," Mr. Wilson said.

## Robertson, Rose Win at Nipawin

Bert Robertson's Edmonton rink and Billy Rose of "Silverkirk" got off to a good start as opening day's play of Nipawin's third annual automobile bonspiel ran its course Wednesday.

The Robertson quartet chalked up two straight victories. First was a one-sided 11-4 win over the Mielnick rink from Nipawin and the second, a 10-8 triumph over the little foursome from Regina.

**LOSING IN EASY WIN**  
Rose found little difficulty in tossing of W. G. Stokton of Mayfield, Sask, 14-7 in his only match of the day. Rose is a former hockey champion.

Two other ex-Dominion kings, Howard Wood and Nipawin's "fourtime skipper" E. W. McGrander 15-10, Jimmy Welch of Winnipeg easily beat Dr. Roy Kerrland of Carleton Place, Sask, 14-4.

**WATSON COMES THROUGH**  
Winner of last year'sspiel, Grant Watson of Winnipeg, won his first game, trimming Sig Royne of Nipawin, 12-6.

Key to the town was presented to Howard Wood and Nipawin's Mayor William Bellingwood, winners, whose rinks are competing for more than \$20,000 in prizes, including four new cars.

### MILD DONNYBROOK AS EAC JUVENILES WIN

EAC tallied four times in the first period, while holding their opponents to a pair of goals, and then held on to take a 6-3 verdict at the expense of Canadians 'A' in a Juvenile Hockey league game played at 110 St. rink Wednesday.

The contest ended on a note of high confusion, with players and spectators alike, staging a mild donnybrook just at the final whistle. Order was eventually restored but before Donnybrook, EAC forward, had lost a diamond ring he was wearing.

Mums will be mighty happy to have it and when he does, that the jewelry has been found—if it is. Dryden and Leroux sparked EAC to their win. The former had a hand in four goals, scoring a pair and assisting in two more. Leroux notched one marker, passed for two more. Other scorers for the winners were McDonald, Stogryn and De Cheveron. McNicoll and Beale tallied for Canadians 'A'.

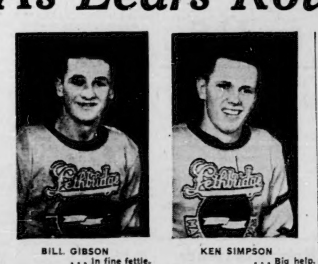

**WEDNESDAY'S RESULTS**  
At 110 St. (A) & (B) 12-10; (C) & (D) 12-10; (E) & (F) 12-10; (G) & (H) 12-10; (I) & (J) 12-10; (K) & (L) 12-10; (M) & (N) 12-10; (O) & (P) 12-10; (Q) & (R) 12-10; (S) & (T) 12-10; (U) & (V) 12-10; (W) & (X) 12-10; (Y) & (Z) 12-10.

**GRANT 'Miles' Ahead Of Pack**  
The question is Will Cecil Kilburn, Roy Munsie, and other players be able to catch Calgary's rampaging Duke Grant in the Western Canada Hockey league point race.

From where we sit, it doesn't look like it. Latest batch of 24 goals, he has in the top, and 28 assists, likewise the best. Kilburn and Rimstad hold 20 and 28 goals, respectively.

**THE LEADER**  
Grant, Calgary, 24 goals, 28 assists; Kilburn, Edmonton, 20 goals, 28 assists; Rimstad, Edmonton, 20 goals, 28 assists; Munsie, Edmonton, 20 goals, 28 assists; Stogryn, Edmonton, 20 goals, 28 assists; De Cheveron, Edmonton, 20 goals, 28 assists; McNicoll, Edmonton, 20 goals, 28 assists; Beale, Edmonton, 20 goals, 28 assists.

### Grochilski Features Leaf Midget Play

Leafs rode roughshod over Rangers to the tune of 5-3, while Maple and Red Wings fought to a 3-3 draw in a pair of Maple Leaf Midget Hockey league games played Wednesday.

Bill Grochilski, who turned the test trick passed Leafs to their one-sided triumph over Rangers, played at Eastwood rink the winners through into a 4-1 lead in the opening period, the Leafs nailing being Jerry Kaprunka, Gjo Langlois, Grochilski and Dave Magee.

Johnny Brown, who scored twice for the losers, tried to keep Rangers in the running but Leafs enjoyed a big edge all the way. Ed Zemura pulled the third Ranger goal, completing the scoring for Leafs were Magee, with his second goal, and Bill Deane.

**TAKE SOCCER SERIOUSLY IN IRELAND**

### Picks Up Four Points In Rough, Ready Game

CALGARY, Jan. 6.—(CP)—Lethbridge Maple Leafs, sparked by fiery Bill Gibson, resumed their drive for third place in the Western Canada Hockey league Wednesday night by drubbing Calgary Stampede 7-4 in a rough fixture before 5,200 fans.

Gibson drove home two goals and set-up goalmouth passes for another two to gain the lion's share of the spotlight as Leafs pulled within a single point of the third place Calgary sextet.

Ken Simpson and Grant Hall also scored a brace of counters for Leafs as well as Gibson, while Stan Tager, Borman, Hettler, Hal Maxwell got the other. High scoring Duke Grant failed twice for Stampede while getting slaughtered.

Sparks flew throughout the contest that several times threatened to break into a free-for-all, antics, crouched and charged with abandon. Don Ealey and Jack Evans drew major penalties in the opening period for exchanging blows.

**PUT GAME ON ICE**  
Lethbridge, battling every point of the way, rapped home two goals while one minute early in the first period to put the game on ice. Hal gelled in a screened shot after Rogers had given Lethbridge four shots on goal through poor clearing.

**Ex-Local Junior Star For Reds**  
PROVIDENCE, R.I., Jan. 6.—(AP)—Providence Reds increased their lead in the American Hockey league's eastern division to 20 points with a 5-2 victory Wednesday night over Washington Lions before a crowd of 4,444.

Jack McGill and Pete Kapusta each scored twice, and John Hamilton with a goal and three assists, Ray Laplante and Jack Hamilton accounted for the other Providence scoring. Chirp Brenchley and Dan Fortuna tallied the Washington totals. Chad McGill is former Edmonton junior.

**Tiresome, What?**  
PERTH, Scotland, Jan. 6.—(CP)—Sudbury Wolves, Canada's entry at the forthcoming world hockey championships in Stockholm, Wednesday suffered their fourth straight defeat of their current exhibition tour, losing to Perth Panthers 2-1.

**MYSTERY of the month?**  
MEDICINE HAT, Alta., Jan. 6.—(CP)—Medicine Hat junior Tigers won their 34th straight game, a 4-1 tie here Wednesday in an exhibition hockey tilt before 1,300 fans.

Indians are members of the Saskatchewan Senior "B" league.

**Balmy Beach-Indians Amalgamation Ends**  
TORONTO, Jan. 6.—(CP)—The Ontario amalgamation of two Toronto football clubs — the Balmy Beach and Indians—into one known as Beaches-Indians, ended Wednesday.

With two other senior clubs in the city—Argonauts in the Big Four and Varsity in the inter-collegiate union—drawing off most of the Saturday-afternoon games, Indians and Beaches found their takings slim and decided to join forces.

**Legions Win Leaf Pee-Wee Contest**  
Canadian Legion blanked McCreary of 2-0 in a Maple Leaf pee-wee league game played at Eastwood rink Wednesday. Norm Ferguson and Ken Langston tallied the "million dollar" goals that sealed victory for Legion and a shutout for Ron Savage, promising defender of the victors.

**Agar Helps Buffalo To Tie**  
BUFFALO, N.Y., Jan. 6.—(AP)—The Buffalo Sabres tied the St. Louis Blues in a 3-3 tie in the first round of the playoffs.

John Stuart, former Indian player, is now a coach for the Balmy Beach football club.

# on the TOWN

By J. D.

I never saw the Missus so peeved as she was last night.

"I see the cost-of-living is officially down seven tenths of a point," she said, real sarcastic-like. I happened to observe that surely the Ottawa announcement was cause for great joy. Then she lit into me as if my name were Doug Abbott.

"I'd just like to get the fellow who makes up that cost-of-living index in a corner and tell him a few things," stormed the little woman.

Well, when a housewife, who does the bookkeeping, goes off on a tangent there's just one thing for a mere male to do. Keep quiet and hope she runs out of breath.

She started reading aloud which precipitated the break."

She read on, her voice becoming more shrill with each line: "...a sharp plunge in egg prices in November...moderate declines in meats, vegetables and fruit, dropped the food index more than two points, from 204.7 to 202.0."

"Some plunges those eggs made, I paid 64 cents for a dozen today and they looked as if the hens that laid them were suffering from malnutrition."

Then she really went off the deep end.

"Some plunges," she kept repeating, until I thought she was going a little wacky.

"Milk, 17 cents a quart and bread is going to 25 cents. Read 14 cents a pound, bacon 85 cents a pound, butter 71 cents," she shrieked.

"Only thing that's plunging around Edmonton is this family deeper into debt," I ventured.

"I'd heard of rate females burling about, but under similar conditions so I decided to put on a soothing act."

"I'm afraid honey you don't understand a scientific cost-of-living index," I ventured.

"You take the overall picture. Everytime there's something by human beings is figured in."

"What's a mean?" she demanded, still terribly sarcastic like.

"For instance," says, "While it is true that the cost of eggs and eggs are still soaring you forget that buggy whips that sold for \$250 in 1912 are selling for just 39 cents today with an extra holder thrown in."

I don't think she knew what I was trying to get across but my explanation confused her sufficiently to break into her chain of thought. So I went on with the soothing story.

"Now while the plunge in egg prices may not be too noticeable in Edmonton retail stores at the moment, the cost-of-living picture would remind you that there has been a spectacular drop in the price of imported South African ostrich plumes. This represents a price decrease of 66 percent for this valuable item alone from pre-war days when ostrich plumes really cost money."

I stole another look at the Missus. Her mouth was open and her eyes were glassy but I still couldn't take a chance on a comeback. So I fired the final salvo:

"The experts will agree that the Missus is still holding up well on the price ladder despite the threat of margarine but please remember that pre-war Japanese mouth organs can be purchased for a song at any music store."

The Missus was just talking. She was set and stared at me as if I were something from the planet Mars, just in the late rocket ship.

But I am afraid I won only a hollow victory.

When I left the house the Missus handed me 39 cents and instructed softly:

"I want you to get the corner hardware store on your way home and get a buggy whip for breakfast."

## Provincial Rights Issue Called Phony by Abbott

One of the issues on which Canada's next federal election will be fought will be the "phony" one of provincial rights, Hon. Douglas Abbott, federal minister of finance, told a luncheon meeting of Edmonton Liberals on Wednesday.

Mr. Abbott would give no prediction as to the date of the federal election but said he was sure one of the issues to be brought forward would be that of provincial rights.

**BLAMES GEORGE DREW** for the success at Dominion-provincial convention has been the attitude of George Drew, then premier of Ontario, and now Progressive Conservative federal leader.

The issue was "phony," the finance minister thought, because Mr. Drew feared implementation of the social security measures envisioned by the federal government.

Social security measures of the proposed national deal would mean Ontario taxpayers would be called upon to support financially those in need of assistance in other less fortunate provinces, according to the former Ontario premier, Mr. Abbott charged.

Mr. Abbott said another issue should probably be one of high taxation but this he would not comment as minister of finance.

He urged Liberals to select candidates of the highest calibre soon and said the Liberal platform as framed at the 1948 convention was a progressive forward-looking document.

Main difference between Liberal platforms and those of other parties was that Liberals implemented their promises, he said. The minister asked study of the Liberal platform of 1919 and said it would be seen most of the undertakings of the party at that time had been implemented.

"A Liberal with a completed program becomes a conservative," Mr. Abbott said in pointing out that the government's record is not enough on which to fight an election.

Two Toronto artists, Hazel Taylor, concert pianist, and John Wood, tenor and 1948 Canadian Gold Medal winner, will be presented in a recital in the Mosaic Temple, Monday at 8:15.

The recital is being presented by the Women's Musical Club of Edmonton and proceeds are to be used for the scholarship fund.

Tickets for the recital are on sale at Heilmann's and on campus until Jan. 10.

## MINISTERS TOO Quips Fly At Dinner Of Chamber

They were cracking the quip at the Chamber of Commerce annual dinner last night.

Said retiring president Francis Wintop, who spoke at Mr. Abbott: "I hope you don't think I raised a hell. If I had I would have to pay too high a freight rate."

Said Hon. James A. MacKinnon with a twinkle: "I didn't intend until a few minutes ago that all speeches tonight should be broadcast. So limited is the space, many couldn't attend the dinner."

## Drew to Give Calgary Talk To Tories

George Drew, federal Progressive Conservative leader, will be main speaker at the annual provincial convention of his party supporters to be held in Calgary next Friday.

Torians from all over Alberta will attend the sessions. It is expected plans for the next federal election campaign will be shaped. John Sydie, Edmonton, president of the provincial association, will preside.

Mr. Drew will speak at a public meeting to be held in Calgary Friday evening at the convention ends its first day.

He and Mr. Drew leave Toronto Monday for a busy tour of the western provinces and will visit Winnipeg, Regina and Vancouver before returning to Ottawa in a one-week trip.

Edmonton party officials, besides Mr. Sydie, who are expected to attend are: R. MacLennan, C. J. Thorpe, Mrs. Frank Newton, H. J. Bishop, Howard Emery, K. Thorne, and Mr. Manning, who are all ex-official delegates.

Others to attend the meeting will be named shortly.

## Liquor Permit Costs \$260.50

Dawson Counsel, 10018 St. report, to police court Tuesday, from the permit counter of the main liquor vendor's store.

Copeland reportedly went to the purchase window after he bought a new liquor permit, leaving his wallet on the counter. Returning to the spot, Copeland found his money gone.

## Winter Camp Set

Winter camp for personnel of the Royal Canadian Mounted Police (R.C.M.P.) is being held Jan. 29 to Feb. 12. It was announced Tuesday. Personnel are to attend must be on parade or notify the battalion order room tonight.

## Police Probe 2 Break-Ins

City police today are investigating two break-ins during the past two days, one involving an unsuccessful attempt on a safe.

McLain Lumber Company office at 99 Street and Jasper Avenue was broken into by a burglar, who forced a rear door storm.

Door of the company was tampered with but not forced open by the would-be burglar who entered the premises at 2 a.m. Roy Trumble, occupying a room above the office, told police he heard the burglar but thought the night watchman caused the commotion below.

A set of drawers was jammed open, two of them being taken away by the burglar. Loss has not yet been determined.

A break-in between 2 a.m. and 5:30 Wednesday morning at Chances Lunch, 5027 102A avenue, netted the loss of small quantities of cigars and a five-pound roast of pork.

Burglary, involving three cartons of cigarettes, was discovered by a police officer who arrived for work. Entrance was gained by forcing the rear door.

## Aviation, Freight Rates Among Major Battles

One of the busiest years in its history was closed by the Edmonton Chamber of Commerce at its annual meeting Wednesday in the Madsen Hotel.

The meeting year marked the beginning of the Diamond Jubilee year of the Edmonton Chamber.

During the year 1948, retiring president F. G. Wintop reported, the numerous committees set up by the chamber to deal with business needs of the community, met on the average of twice a day.

## HIGHLIGHTS OF YEAR

Here are some of the highlights of the Chamber's 1948 program.

In co-operation with the Calgary Board of Trade and the cities of Edmonton and Calgary, representatives were made to the Board of Transport Commissioners for an equitable freight rate structure.

Through the efforts of the Chamber pressed for a Royal Commission on freight rates, which has been promised by the federal government.

The agriculture section of the Chamber of Commerce, headed by R. M. Moore, who is under a take a drive to get "mainline" air service for Edmonton.

A hint of success has been given the Chamber of Commerce with an announcement that the service may be instituted early in 1949.

The same committee is also preparing plans for a mammoth air show to be held in the city during 1949.

Throughout the year, the highways committee and the chamber as a whole have been active in programs to better roads serving Edmonton and Alberta.

Representations were made to the British Columbia government urging construction of an all-weather road to the Alberta border.

Another centre of activity was the Chamber's effort to secure the proposed project for a trans-Alberta highway via the Yellowhead route.

## FEDERAL COMMISSION

Considerable credit has been given the Edmonton organization for the prompt establishment of a Federal Highways Commission.

A proposed provincial highway in the Peace River country, as well as improvement of existing roads to and in the area, was put down as a direct result of a concerted movement, initiated by the Edmonton Chamber of Commerce Friendship Train.

Members of the chamber's taxation committee had the satisfaction of seeing six of their recommendations incorporated in what is now in part in new federal taxation legislation.

Amendments which followed the committee's action included several affecting western farmers, oil operators and small businesses.

## PARKING METERS

Installation of parking meters in the city of Edmonton followed recommendations of the Chamber of Commerce which has long advocated their use.

The field of law-management relations, too, felt the touch of the chamber.

## Narcissus Here Heralding Spring

By Bea Thrifty

Land o'Goshen... but time doth flit!  
Here we are practically smack in the middle of the month of January. It seems but a moment ago we were welcoming Santa Claus to our fireplaces.

"I won't be long before the bird is on the wing, grass is in the fall, flowers in bud."

As a matter of fact the first shipment of narcissus has arrived from the coast and is selling at \$1 per dozen.

Beautiful tulips, in melody, clear colors, can be had at the local florists. Potted threesome arrangements cost around \$2.50 and \$3.

More flower fuss brings to this tired old maid a pretty oblong flower bowl, designed especially for an attractive centerpiece or buffet floral arrangement.

This sells at \$2.25 incidentally.

A sweet little powder blue bowl, fashioned in Victorian mode, appeals lovelessly for "that extra little something" on the coffee table. A tiny shell-pink rose is perched on one rim.

This sells at \$2.25 incidentally.

Time for new-season sewing is at hand and let me whisper in your ear—pink ear... about the delightful shades in my favorite shimmering crepe fall.

There is a heart-warming rusted, rich earthy green, peaty grey, bysanth blue, sparkling amber buttercup yellow and of course, white.

While in the throes of wrestling with the needle don't forget a wonderful "real" Tartan plaid skirt. Crease of plaid is round and about.

I've found a smartie for quick afternoon tea dainties. Slip down to the bakery and buy a finger-size jelly roll. To be sliced into dainty pinwheels the size of a silver dollar.

You can buy the rolls for 5c per roll, and there should be at least four or five slices from each.

More in the pretty pastel line: Have you tried the pastel mini-cakes yet? I love mine filled with ice cream, topped by a marshmallow cherry pom-pom.

The mini-cakes sell for 25c. But you can make them as cheap as 5c.

Here's a favorite tea-time goodie that I always fall back on when I doubt what to serve.

Easy to make. You use one can condensed milk (the sweetened—not the plain evaporated kind), 1 cup crushed graham wafers, 1 cup chopped nuts, 2 teaspoons softened butter and egg teaspoon vanilla, 2 squares of chocolate.

Mix the wafers and leave overnight. Next day roll in coconut, nut crumbs or nut crumbs—possibly delicate.

It isn't as easy as it looks because this exercise requires that you lower your trunk to the floor, arms overhead and then pull yourself up and reach first to the right and then to the left. The exercise is useful in the eight-week self-improvement Marathon starting this week.

### WHY GROW OLD

## Sense of Poise Means Much to Beauty

By Josephine Lowman

Have you that feeling of personal attractiveness you once had? Nothing gives a woman such self-confidence! Or are you feeling older and definitely ungainly?

Sometimes life looks its excitement because mental depression, but women often feel old simply because they have gained weight.

It certainly affects me that way! Even if I did not have bathroom scales, I would know when I have gained. Suddenly my hair never looks right, the clothes I wear do not suit me.

I have picked up some weight. I think most women are affected in a similar way.

Too much weight makes you feel awkward, move awkwardly and feel awkward. Weight can make all the difference between feeling

youthful and feeling older. A little extra weight is an extra burden to carry about and may lead to fallen arches, backache, chronic fatigue, slumping posture and even more serious trouble.

The years will pile up in spite of us and no one of 60 can deny it. But, obviously, whether it be five pounds or fifty, handbags in its health and attractiveness and we DO NOT have to keep it.

This week I am offering my yearly "Eight-Weeks' Self-improvement Marathon." This is your chance to come to me with your problems in beauty and figure, and I will help you all I can.

Please send a stamped, self-addressed envelope with your request for the Marathon letter. Address Josephine Lowman in care of this newspaper.

### DOROTHY DIX SAYS—

## Immature Youngsters Regret Hasty Action

DEAR MISS DIX—My husband and I married when he was 18 and I was 16. We quarreled and got a divorce, and both of us married again for spite.

Then we found out that we still loved each other and were miserable apart. My present husband is a wonderful man, who is just as good to me as anyone could possibly be, but I pine so for my first husband that I am a nervous wreck.

Do you think there would be any harm in my writing my first husband now and then? He comes to my city every week on business.

If I could see him occasionally, maybe it would stop the turmoil in my life. I have never told him that I miss him, but I miss him so much that I can't even think of him.

BROKENHEARTED  
Answer: There is an old proverb that is a warning against trying a fight with your tongue that you can't unite with your teeth, and that is the fatal mistake that so many youngsters make when they get married.

They are children who are immature, who do not know what they want in a husband or wife, who have not learned any self-discipline in dealing with those with whom they must live, and who never count the cost of their actions.

LIKE CHILDREN  
You are a perfect example of this. When you and your husband married, you squabbled and fought like the kids you were and broke your marriage vows because you had "a mad on," as children say.

You even went to the unbelievable folly of marrying somebody who didn't love just for spite.

And now you are bemoaning the wreck you made of your childhood marriage.

It is a hopeless task. We can't undo the mistakes we have made. We can only pay for them with our hearts' blood. But we can meet the trouble we brought on ourselves and others with courage instead of whimpering.

Your mistake is that you are so selfish. If you put in a lot in your good husband, and that you are trying to get back another woman's husband whom you threw into the discard in a childish rage.

Many women take a morbid pleasure in thinking that they are the only one who has been wronged and abused by their childhood sweetheart or divorced husband. The remedy for that is to go and see the last love. Not many men look like their Dream Boy after 19 years' absence.

There's a new elasticized thread, suitable in hand sewing and the bobbin of your sewing machine. It's ideal for mending dresses and other rubbered garments.

### YOUR BABY AND MINE

## Modern Emphasis Is On Fondling New Baby

By Myrtle Meyer Eldred

If you have a new baby in the family take advantage of the precious privilege to enjoy it. There will never be a time in the baby's whole life when your cuddling and handling will be so meaningful to him and so wholesomely satisfying to you the parent.

This is an age when baby has few personal satisfactions except the home of being fed, put to bed and changed. He is a creature of habit and getting acquainted with the mother has the most ideal opportunity to get to know her baby and he to know her.

The mother-image created becomes blended with this satisfaction he gets from hunger appeased, and the feeling he develops encompasses both the person and the services she gives.

There was a time when it was fashionable to feed the baby, put him in his crib and leave him alone. On the premise that if he had maternal attentions he would become ravenous for them and be "spoiled."

That time is no more. The emphasis is just the opposite. Now it is recognized that the new baby develops nothing but anxiety and fear when he is separated from the parent and lacks her gentle fondling.

All of this is what about naturally if the mother will nurse her baby, if she will look upon him as an individual and enjoy every minute of him.

Babies need more than food and drink, and the opportunity to sleep. They need to be shown that they have been born into a loving family. They cannot know this unless people talk to and sing to them. They cannot know it unless they are picked up and fondled and can look into the bright, smiling faces of parents who enjoy them.

Our leaflet No. 1, "The First Six Weeks," describes the proper attitudes toward feeding, sleeping, etc. Obtain this leaflet by sending a stamped, self-addressed envelope with your request to Myrtle Meyer Eldred in care of this newspaper.

Send your request to Myrtle Meyer Eldred, 11151 50 Avenue.

# First Nursing Sisters Since End of War

Ottawa Girls Stop in Edmonton  
On Way to Postings in Whitehorse

TWO OTTAWA girls share the distinction of being the first non-veterans to join the Canadian Army nursing sisters since the end of the war. They are Lt. (NS) Gloria Caldwell and Lt. (NS) Lois Frood.

## Jean Thomas Recent Bride At Knox United

New Year's Night was the day chosen by Miss Jean Catherine Thomas, daughter of Mrs. Ronald Thomas, of Edmonton, for her marriage to Carl Ray Sanders, son of Mrs. W. H. Sanders, of Crockett, Texas.

Rev. Gerald Rogers performed the ceremony before an altar banked with yellow chrysanthemums in Knox United Church.

The bride was given in marriage by her father, Alfred Mohr. She wore a classically-styled gown of silk brocade, styled with a sweetheart neckline and draped bodice on the skirt, which terminated in a slight train. Her Juliet headpiece was trimmed with seed pearls, and her bouquet was of red roses and white chrysanthemums. A string of pearls was her jewelry.

Witnesses were Miss E. Salas, a gown of gold satin, styled with a fitted bodice, v-neckline, and "Pigskin" collar. She carried a bouquet of yellow chrysanthemums. Harold Mohr attended the groom as best man and Gerald Rogers and Nicholas Lebusse ushered the guests.

The wedding music was played by Mrs. Betty Sims. A reception held at the home of the bride's mother the tea table was set with a white linen cloth with frill lace trim, with yellow and brown chrysanthemums providing floral decorations.

Mrs. Thomas, receiving the guests, was in a dress of black crepe with lace trim. Her corsage was of red roses and white baby chrysanthemums.

Miss Kuten, Marion Archer, and Ruby Bergman assisted at the reception.

E. M. Scott, of Calgary, proposed the toast to the bride.

Leaving for a wedding trip to Calgary and Banff, the bride changed to a suit of burgundy and white, with a white lace collar and a string of pearls and a three-quarter length fur topcoat.

Mr. and Mrs. Sanders will make their home in Dallas, Texas.

## Girls' Pipe Band To Hold Concert, Dance

Artists contributing to the program will be Crystal McDonald, Helen Combs, Mrs. Mary Brundage, Violet Cummings, Mabel Stoker, Helen Smith, Grace Hughes, Jean Hughes, Joan Bryan, Maurine Cox and members of the Edmonton String orchestra, and Pipe band.

Jack Jones will be chairman of the concert.

EN ROUTE TO Toronto, where his family will join him, T. J. McNamara of Edmonton, was a visitor in Calgary for New Year's. He was the guest of his parents, Mr. and Mrs. J. L. McNamara.

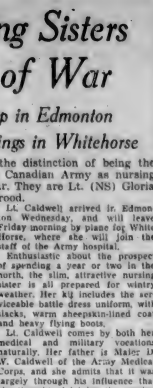

VISITING HERE for three weeks with Mrs. C. E. Allen is Mrs. Marie Gillingham of Ottawa, who is a former resident of Edmonton and will visit with friends here and in Calgary before returning to her home.

PACIFIC COAST visitors in the city include Mr. and Mrs. F. Elphicke, of Vancouver, who are guests at the Macdonald hotel.

EXPECTED TO RETURN this weekend from the east are Hon. Mr. Justice and Mrs. George O'Connor, who have spent several weeks visiting their son and daughter-in-law, Mr. and Mrs. Gerald Farnell, of Chatham, Ont.

FORMER SASKATOON residents, Mr. and Mrs. G. R. Small, who have arrived in Edmonton to make their home.

IN EDMONTON for the Sanders-Thomas wedding which took place New Year's Day were Mr. and Mrs. E. M. Scott, Calgary; Mr. and Mrs. B. Strong, Lament; Mr. and Mrs. William Thomas and Mrs. and Mrs. G. Mohr, Fort Saskatchewan; Mr. and Mrs. E. E. E. and Mr. and Mrs. R. Thomas, Seba Beach.

MARRIED RECENTLY in First Presbyterian Church, Mr. and Mrs. Donald William Kusston are making their home in Edmonton. The bride is the former Jean Hay Corbett and the bridegroom is the son of W. H. Rushton.

## British Housewives Permanently Fatigued

LONDON, Jan. 6.—(AP)—The tired British housewife is underfed and spends her nights dreaming of cooking and shopping queues. These are the findings of Dr. Stella Instone of the New Sussex hospital at Brighton, reported in the Lancet, authoritative British medical magazine. Dr. Instone studied 61 "typical British housewives."

Fifty-five of them, she said, complained of permanent tiredness.

"The outstanding impression made by these housewives was their look of fatigue," Dr. Instone reported.

"This was reflected not only in the face and manner, but often also in slow labored movements of many of them and a look of defeat. Others looked harassed and ill at ease, and admitted that they were thinking of work waiting to be done at home."

She said it was a frequent practice for women to deny themselves their full share of uneaten food rations so they would be more for the rest of the family.

"In only 14 housewives was the diet for the day judged adequate, even by present standards," the report said. "This improper feeding was never attributable to lack of money. The housewife's family always fared much better than she."

Dr. Instone found that most of the women had an attitude of "defeatism" toward planning meals and exercised no "imagination."

"The younger generation were in charge of the guest book. There are nine grandchildren and one great-grandson."

Some of the doctor's other findings: Worries—only 12 women said they had no worries. Each of the others had some significant anxiety about marital problems, the family, housing, money or rationing. Four said they were "anxious about everything."

Smoking—there were 27 non-smokers. Of the remainder, only three smoked more than 20 cigarettes a day. Many were trying to cut down on smoking to save money.

Holidays—twenty-five of the housewives had had no vacation since their marriage.

Leisure—twenty-one said they had "no leisure at all."

Recreation—17, but seven went to the movies, usually once a week, sometimes twice. A few women said what the most enjoyed was a chance to sit down.

## Economical Menus Aid To Health!

BY JANE SCOTT

These are menus that are adequate, check-full of vitamins and minerals, easy on the budget (not the bare minimum but by no means extravagant), and yet easy to follow, varied and interesting.

Three quarts of milk a day is ample for drinking and cooking and is the mainstay of any good diet. As can be seen from the menu included in this diet, almost 20 per cent of the total amount spent for food goes to the milkman. Good strong bones and teeth are the happy result of this.

Everyone should have a serving of whole grain cereal a day and at least 4 slices of whole wheat bread. Brown bread has more iron and vitamins B and C, these providing good nervous energy, good digestion and muscular tone.

**LOTS OF VITAMIN C**  
Making sure that you have two vegetables a day (one preferably raw) in addition to potatoes and two fruits a day, one of which must be a citrus fruit or lemon or fortified apple juice, takes care of the vitamin C in the diet and assures you an adequate nutrient for blood and tissue building and repair.

A serving of meat a day is necessary for proteins and vitamins B and C—also iron—all which makes good strong muscles. The eggs a day provided for each person and the cheese, are excellent foods for this, too. A good protein intake insures resistance to infection.

Molasses which should be used frequently in any low cost cooking provides a large percentage of iron very cheaply. Also the organic acids, which you may have to introduce to your family pay big dividends in better health.

Technically this diet has adequate amounts of protein, carbohydrates and fats, minerals such as iron, calcium, phosphorus, copper and others, and vitamins A, B, C, D and G.

**RAOULT OF BEEF**  
2 pounds stewing beef, 2 medium size onions, 2 cloves, 1 bay leaf, 1 cup peas, 1 teaspoon Worcestershire sauce, 6 medium size potatoes, 6 medium size carrots, salt and pepper and other seasonings.  
Cut beef into cubes. Roll in flour. Brown meat and onion thoroughly. Cover with water, add seasonings and simmer slowly until meat is almost tender, about 2 1/2 hours. Add potatoes and carrots. Cook 10 minutes. Serve with meat about 15 minutes longer.

**KIDNEY CROULE**  
2 beef kidneys, 6 slices chopped bacon, 2 small onions, 2 cups tomato juice, salt, pepper and bay leaf.  
Trim kidney and cut into 1/2 inch slices. Drain and pat dry. Season with salt and kidney. Then add chopped onion. Stir until meat is well seared. Add tomato juice and seasonings. Cover closely and simmer about 45 minutes.

**VEGETABLE CHOWDER**  
4 tablespoons shortening, 1 cup cubed potato, 1 cup carrots, 2 whole kernel corn, 1/2 cup water, 1 teaspoon salt, few grains pepper, 1 teaspoon sugar, 1 quart milk, 1 cup cooked peas, 2 tablespoons chopped parsley.  
Heat fat in kettle, then add celery, carrots, onion, corn, water, salt, pepper and sugar. Cover and cook slowly for 1 hour. Add the potato and peas. Heat thoroughly. Before adding the parsley, serve sprinkled with grated cheese. It is delicious.

**FLAVORFUL MEAT LOAF**  
2 pounds ground beef or veal, 1/2 pound ground salt pork, 4 cups corn flakes, 1 teaspoon Worcestershire sauce, 1/2 cup water, 1 egg, 1 teaspoon pepper, 1 egg, 2 teaspoons salt, 1 cup finely chopped onion, 1 tablespoon parsley, 1/2 cup milk, 1/2 cup butter, 1/2 cup ketchup, 1/2 cup catsup or tomato sauce.  
Crumble the corn flakes. Add remaining ingredients and mix well. Pack firmly into a loaf pan. Bake in a hot oven, 400 deg. F., for 15 minutes. Then decrease heat to moderate, 350 deg. F., and bake 45 minutes longer. Bake frequently with a mixture of 1/2 cup hot water and 4 tablespoons bacon. Place 2 strips of bacon over the top of the meat loaf while baking. It is delicious.

**SAVORY SPAGHETTI**  
1/2 pound liver, 1 cup chopped onion, 2 tablespoons fat, 1 teaspoon salt, dash of pepper, 1 tablespoon chopped parsley, 2 cups tomato juice, 1 ounce parmesan cheese, 1/2 cup ground cheese.  
Stall liver in boiling water for 5 minutes. Drain and grind. Brown onion in fat. Add liver and seasonings and cook slowly 10 minutes. Add tomato juice, simmer for 20 minutes. If mixture thick, add 1/2 cup water. Meanwhile cook spaghetti in boiling salted water until tender. Drain. Mix spaghetti with a deep platter. Pour tomato sauce over it and sprinkle with ground cheese.

**CREAM OF CELERY SOUP**  
1/2 cups chopped celery leaves and coarse stalks, 2 cups water, 2 cups thin white sauce, onion juice, if desired.  
Cook celery in water until soft and press through a coarse sieve. There should be 2 cups coarse stock left. Add to thin white sauce and serve hot.

**CREAM OF TOMATO SOUP**  
This white sauce, 1 cup milk, 1 tablespoon flour, 2 tablespoons shortening, 1/2 teaspoon salt.  
Heat fat and flour and seasonings and stir until smooth. Add heated milk slowly, bring to boil and cook in double boiler for 10 minutes.
